

## Special Event Guidelines

### Event Activities

Activities not included in your permit application are not authorized to take place in your event venue and can be curtailed by the San Diego Police Department. A member of the San Diego Police Department may terminate activities if they incite a crowd or have potential to cause unruly and risky behavior. Use of some equipment, interactive activities, or animals may require additional safety features, insurance levels, or permits. Body piercing, tattooing, and chiropractic adjustments/manipulations are not permitted at special events on city property; however, you may incorporate informational booths regarding these services in your event plans.

#### Inflatables

---

The use of inflatables is prohibited in some parks. Examples of inflatables include, but are not limited to, jumpers, climbing walls, obstacle courses, décor elements and promotional signage.

#### Massage

---

Massages provided as part of a special event (e.g. at the finish area of a 5K run) can be performed without restriction, by a licensed holistic health practitioner. Massages provided by any other person, such as a chiropractor, sports trainer, licensed massage technician, or a student from a massage school must be done free of charge. Donations or tips may be accepted, but not made mandatory. A licensed instructor must supervise students. Inclusion of this type of activity at your event may have additional insurance requirements.

### **Regulated Activities**
